

Seminar Purposes

The focus of the Arborist Series is three-fold. First, to prepare Arborists aspiring to receive their ISA Certification. This is a great way to ensure that you are prepared for the Arborist Certification Exam. Second, to give those interested in tree care more information and training. Third, provides Certified Arborists an opportunity to refresh their knowledge of arboriculture and obtain valuable continuing education units. Anyone who considers themselves a qualified and skilled arborist should be certified. As a professional, certification is not an option it is a must!

SERIES TRAINING OUTLINE

Saturday, February 20, 2010

Alex is the Forester for the City of Springville. He has worked for Springville City for over Twenty years. He has been trained at the Municipal Foresters Institute and is a Certified and Municipal Arborist.

Seminar Information

The seminars will be from 9:00 a.m. to 3:00 p.m.
Lunch is provided.

Course Text

Information for this course will be based on the International Society of Arboriculture's Arborist Certification Study Guide. The guide can be purchased through the UCFC at cost for \$65.00. If you are interested in purchasing the text, please call Lisa at (801) 446-8229.

Seminar Location

The seminars take place at Mountainland Applied Technology College in the Geneva Building. This location is on the *WEST* side of the freeway.

Orem Campus
987 South Geneva Road
801-863-MATC

To get to the Geneva Building take I-15 to the Orem University Parkway Exit, Exit # 269. Proceed WEST of the freeway to 1401 West University Parkway (Business Park Drive). Park and enter the fourth door down on the East side of the building. Parking is free.

**All Arborists should have their
Arborist Certification to safely,
productively, properly prune trees.**

6 CEUs available each class for
ISA certified arborists.
